The Both the rules referred to are not identical. The rule in the Municipal Account Manual refers to the levy of tolls at one & the same toll gate for all gates in a single municipality. The latter refers to the levy at different toll gates. ~~The representation of the Secretary Madras is deserving favourable consideration~~

Sir,

In forwarding herewith in original the letter No. 964 dated he 25th May 1923 with its 2 enclosures addressed direct to you, rom the President, Town Municipal Council, Davangere, proposing ertain amendment to the Rule 14 (C) laid down in Government Order No. L.6457-57/Ml. 174-22-1 dated the 21st March 1923 Re: the levy of Toll on vehicles and animals &c., I have the honour to observe that Rule 14 (C) referred to above appears to relate to Trhough Traffic only and it is seen from the enclosed sale notification that the Municipal Council Davangere intends/ to levy Toll on Incoming Traffic and as such I do not think that the Municipal Council is prevented by Rule 14 (C) from levying fresh Toll on carts when they enter into their Municipal limits and intend to halt in the Town.

I request that needful orders may be kindly passed in the matter.

I have the honour to be,
Sir,

Sir,

I have the honour to state that in accordance with the Government order No. L.6437-57/Ml.174-[illegible] dated 21st March 1923 the notification of sale of right to collect Tolls in this Municipality during 1923-24 was prepared and the same was published in the Mysore Gazette fixing the date of sale to the 23rd instant. The sale was conducted on the date fixed for the same and the bid did not go beyond Rs 13000/-. As there was a heavy fall in the revenue as compared with present year's contract amount viz. Rs 18085/- the bid was not knocked down. It was learnt that this large decrease was due to the condition laid down in clause of para 14 of the notification. The subject was therefore placed before the Council meeting held on this day

nt

may be requested to delete the said clause and to introduce in its place rule 169 of the Municipal Account Manual. A copy of the resolution is herein enclosed together with a copy of sale notification for kind information. The Members were also of opinion that the time limit laid down in the Government order mentioned above was likely to be made use of by unscrupulous contractors to gain their own ends and that there was every likelihood of their not noting the proper hour and date in the receipts given for the payment of the toll in another place.

I, therefore, request you to kindly obtain sanction of Government in the matter of altering the clause (c) of para 14 of the notification as resolved by the Council in the interests of Municipal Revenue. The orders of Government may kindly be obtained at a very early date as the sale has to be held before the end of the current Official year after allowing sufficient time for wide publicity.

I have the honour to be,

XXXV Re- the sale of Toll for 1923-24 Conducted on 23-5-1923. There were no bids beyond Rs 13000/-. As such the final bid was not knocked down

Resolution Many carts come to this Municipality from Harihar which is only 9 miles from Davangere. In case the recent Government-order is given effect to no toll should be levied in this Municipality on carts coming from Harihar or through it. So there was only a bid of Rs 13000/- this year in lieu of the bid of Rs 18025/- for the last year. The council therefore resolved that- in view of the large decrease in the toll revenue of this Municipality and the malpractices that may be practised by the contractors. Government- may be requested to delete clause (c) of para 14 of Government-order No. L. 6437-57- Mi. 174-22-1 dated 21-3-1923

and

that in its place the condition laid down in Rule 169 of the Municipal Account Manual may be introduced.
